

# Words Of Wisdom

By Reanne Goes

Notes of wisdom... only three questions.

## ***Questions to know what's right for you***

When faced with a situation and unsure which path to take ask these three questions.

Is this good for me?

Is this good for others?, and...

Is this good for the greater good?

***You'll know it's the right choice if you can answer yes to all three questions.***

## ***Questions for Empowerment***

Three questions can be posed to empower you when facing a situation.

Am I taking responsibility?

Am I laying blame?

Am I justifying the situation?

When you answer these questions you see what role you are playing in the situation at hand.

It is wise to own your responsibility and these questions assist you in seeing what that is and means.
